Subject: Proposed Bluegrass Amtrak Route

To Whom it May Concern,

The proposed Bluegrass Amtrak line that would open passenger service from Chicago to Atlanta would greatly benefit transportation routes for residents of Kentucky and for residents in my city. As we know, traveling is quite expensive, and offering another transportation option would certainly be a great asset to our citizens.

It is obvious that the highly populated states of Kentucky and Tennessee have slim to no options for rail transportation. It is time to connect us to the rest of the country. As Mayor of the City of Berea, I support this effort.

Sincerely,

A handwritten signature in blue ink that reads "Bruce Fraley".

Mayor, City of Berea
